

No Words of Comfort
By Tiffany Kunzler

There are no words of comfort.
Nothing anyone can say.
So, I go to sleep at night,
Wishing the pain would go away.

I cling to every item,
Desperate to keep you near,
I try to understand,
Why you're no longer here.

People come and go,
Telling us we'll make it through,
But there are no words of comfort,
For the pain of losing you.

Some days I cry so hard,
That I can barely see.
Others, I feel so numb,
I wonder, what is wrong with me?

Some days I forget you're gone,
And go to call your name.
Other days I can't help but wonder,
If I share some blame.

I look back at pictures,
And think I should have known.
I wonder if the love I had,
could better have been shown.

I know you wouldn't have gone,
If you only knew,
That, there are no words of comfort,
For the pain of losing you.
